

WHO WE ARE

PFIA was founded in 1913 by twelve Indianapolis, Indiana Police Officers and Fire Fighters following a series of incidents that took a heavy toll from among their numbers. The idea spread rapidly, and today PFIA serves Fire Fighters and Police Officers throughout the United States and the District of Columbia. It is the only organization in the world that exclusively insures members of the public safety services.

As a fraternal benefit society, PFIA is governed by elected officers and a Board of Directors. Account Representatives are from all ranks of the fire services and law enforcement, active or retired, who fully understand the special needs of their colleagues.

The Association works hard to offer the most up-to-date programs and plans, and is always ready to address the needs of its members.
