## To PFIA Members:

We are proud to announce that since its inception, the PFIA Scholarship Program has awarded over **\$13.5 million** to assist the dependents of our members to subsidize higher education.

Applicants must be high school seniors or graduates who plan to enroll, or students who are already enrolled in a full-time undergraduate course of study at an accredited two- or four-year college, university, or vocational/technical school. In an effort to do more, our Board of Directors has authorized grandchildren and great-grandchildren of members in good standing to be eligible.

If a scholarship is not received on the first attempt, applicants are encouraged to apply again the following year. We realize how important education is today to ensure a prosperous future. Please encourage your eligible loved ones to review this brochure in its entirety. Honor us with the opportunity to give them the chance to compete for a valuable PFIA Scholarship.
